Supported formats

You can use XLS, XLSX, VCF or CSV format for importing up to 1500 records. For more than 1500 records, only CSV format is supported.

Maximum Limits

As per your current edition - 1000 per batch.  
Skip/Overwrite can be performed with a maximum of 5000 records.

Important notes

Duplicates will be verified based on "Email" field.  
First row of the given file will be treated as field names.  
Please ensure your file size does not exceed 50 MB.  
Before importing the data all duplicate records will be ignored from the XLS/CSV file.  
While checking for duplicate records, you can overwrite, clone, or skip the duplicates.  
In case of XLS file, only MS Excel 97 - 2003 formats are supported.
